

objective

I am a passionate graphic designer, it's what gets me out of bed in the morning. I can bring a combination of digital, ux/ui, interactive, print, and research skill sets to the table. I am a curious soul, hard worker, and a team player. I'm looking to grow my skills and keep challenging myself. Thank you for considering me.

experience

- 2021-2022 **Tenderling Design**
Junior Graphic Designer, Digital Designer
Created graphic designs to handle client needs while working in a collaborative team environment. Created projects from ideation, concept development and art direction to final refinements for production of designs. Created variety of digital and print designs and presentations, ux/ui, videography and web designs. Occasionally handled project management and client communication.
- 2020 **Texas State Career Services**
Social Media Analytics Course Client
Created content and posts for use across social media platforms as digital marketing. Composed an analytics report at the end of semester with a group to consolidate our findings to improve Texas States' social media engagement and reach.
- 2020 **The Lazy Fox Retreat**
Volunteer Web Design and Social Media Designer
Designed logo, helped with branding, social media, and built parts of the site using wix.
- 2016-2018 **Walker Elementary**
Volunteer Yearbook Advisor and Designer
Curated content through conceptualized design, event photography, videography and publication design of the yearbook for grades pre-k thru 5th.
